STATUS ABOUT

Purrrfit Import Export Limited is a fast-growing Jamaican trading company specializing in the export of high-quality construction aggregates and industrial minerals.

Established in June 2021, we are headquartered in Kingston, Jamaica, and operate with a strong focus on bulk shipments of crushed stones, limestone, granite, and ground calcium carbonate to international markets including the USA, UK, CARICOM nations, and the EU. With a commitment to reliability and excellence, we ensure consistent product quality, competitive pricing, and timely delivery through efficient logistics and trusted global partnerships. As proud members of JMEA and JAMPRO, we uphold Jamaica's reputation for quality exports while embracing global trade standards.
